Bleatings
By the
OLD GOAT

NOW THAT THE election campaign is over with, each of us will sort of sit and wait and see what is going to happen. We are of the opinion that too many of us have been doing some sitting instead of thinking. We are referring to the light vote cast during the city election. Guess city government is like the weather...everybody talks about, but very few do anything about it.

AFTER THE "BIG" elections, "experts" try to analyze the results. We try to think like an "expert" for at least ten minutes and by golly we find it impossible to get any real message as to the wishes of the electorate. First off one person in four (even less) decided the vote.

BUT ONE THING we learned. Charles Rose is the first and only former councilman to be re-elected. And before the vote we suggested that he be named as Mayor. While this is up to the five councilmen to decide, we also feel that the citizens' message should be given consideration.

WE SANG PART OF our swan song last week. And this column is being written just in case the "new" man doesn't arrive prepared. We will be able to thank most of the merchants in person during our rounds as the "new" advertising manager. We owe each of them a "big thank you" for the splendid support we received during our two and one half years at "the wheel." But we will always be thankful to each of our subscribers for the terrific support and the many letters and telephone calls. It was truly gratifying to us.

REMEMBER THE PENNY pitching game? We found a new game for postmen to play. It could become a national competitive "sport." We noticed a mailman pushing his mail cart. As he got to the walkway of a house he would push the cart to the next house. We stopped to see how close to the walkway the cart would stop. He almost hit it on the nose. We wonder how good our Hugh Nelson would be in any competition. Anyone interested in starting the NPOPCRA?

THIS COULD BE the last appearance of "The Old Goat." It will be replaced by "Out On The Limb" as soon as George Vierhus gets back into his harness. It will be like old times again around the office. We are not positive but Dorothy Vierhus will probably be back in the banking business in town. Local Bank Managers had better get on the ball if anyone of them is in need of a good hand. And we had better warn the postmen that Checkers is on her way back to

Rose becomes mayor

Swearing in

CITY CLERK DOROTHY TREVETHAN administers oath of office to newly-elected Councilmen, Bill Smeed, Charles Rose, and Edward Rogers (left to right).

Charles Rose, who was elected city councilman for the first time in 1954, two years after the city was incorporated, was named mayor Tuesday night by the City Council.

Rose, after serving a two-year term was re-elected to a four year term on the City Council in 1956. He did not seek re-election in 1960. After "sitting out" the last four years, the new mayor ran for the Council this year and was elected along with Bill Smeed and Dr. Edward J. Rogers.

Mayor Rose, although not on the Council, continued to take an active interest in civic affairs during the past four years. He was chairman of the Parks and Recreation Commission and has long been active in community affairs. He is a long-time businessman of the community.

Rose, who resides with his wife, Helen, and two sons at 80 E. Hamilton, was born in Campbell. He celebrated his 52nd birthday on April 15, the day after being elected to the City Council.

At Tuesday's meeting, the old City Council under the guidance of Mayor Pete Lico verified the results of last Tuesday's election and then the three newly elected councilmen were sworn into office by City Clerk Dorothy Trevethan.

Lico and Henry Weitzel, who also has served as mayor, did not seek re-election.

Ralph Doetsch, who was elected to the Council as a write-in candidate in 1962, was named vice-mayor.

City may face special election over zoning

Campbell's newly-organized City Council gets its first baptism under fire next Monday night, April 27. At the meeting the councilmen must try to answer a $5000 question (cost of a special election) that stems from action taken by the previous council.

The five man Council must either repeal a recently passed City Ordinance which changed the zoning on a 10 acre parcel of orchard land on Latimer Avenue west of the San Tomas Expressway from R-1 (single family residences) to Planned Development, or call a special election and let the voters settle it. City Clerk Mrs. Dorothy Trevethan indicated a special election would cost the City approximately $5,000.

The long standing battle between homeowners and the City came to a head April 21 when a committee of citizens headed by Mrs. Robert C. Sneed Jr., 241 Victor Avenue, presented a petition for a referendum signed by 708 homeowners to the City Clerk. The petition protests the rezoning and states that the land lies in a single family residential area and should be developed as such. The developers, Hamilton Enterprizes, were granted PD zoning which includes a 74 unit garden apartment, a 5 story commercial building and a service station. This is the first time in the history of Campbell that a petition for referendum has been filed.

Robert C. Sneed, a spokesman for the petitioners, said a committee representing the 708 signers of the petition would welcome the opportunity to meet with city officials to work toward a rapid, constructive solution to the problem.

There are 5,589 registered voters in Campbell and 559 are required to force a special election. The petition has 149 more than the required 10 percent. Mrs. Trevethan said the petition will be sent to the Santa Clara County Registrar of Voters who will verify the signatures.

George Vierhus takes up where he left off

GEORGE VIERHUS

George Vierhus, editor and publisher of The Campbell Press from 1956 to 1962, who for the last two years has been editor of The Temple City Times near Los Angeles, this week returned to Campbell.

He will again become editor and publisher of this newspaper. Joe Anello, who has been acting publisher for the past two years, will assume the role of advertising and production manager.

Vierhus, who is a majority stockholder and president of the Campbell Publishing Co., Inc., publishers of the newspaper, explained that a reorganization of the publishing firm is now under way in which Anello has acquired a substantial interest. Anello is secretary-treasurer of the corporation at the present time.

Vierhus went to Temple City in 1962 to assume the management of The Temple City Times which was owned and published by Ralph H. Turner, who had been elected president of the California Newspaper Publishers Association. When The Temple City Times was sold on April 1, it thus became possible for Vierhus to return to Campbell. Vierhus had been managing editor of The Temple City Times prior to his coming to Campbell in 1956.

Vierhus and his wife, Dorothy, are purchasing a home at 1072 Ridgeley in Campbell. They will be joined here by "Checkers", their boxer dog who had become a well known Campbell figure in her own right when they were here before.

Next week Vierhus will resume his column "Out on The Limb" which appeared in The Press while he was here before. The column appeared under the same heading in The Temple City Times during the past two years.

Church here marks 75th anniversary

Seventy five years of service will be noted by friends and parishioners of the Congregational Church of Campbell, 400 West Campbell Avenue, on Sunday, April 26. All parishioners, both past and present, are invited to the 75th Anniversary Homecoming Reception to be held at the Church following worship services at 12:30 p.m. A light lunch will be served and old friends can visit. Doctor and Mrs. Corwin H. Olds, minister emeritus, will welcome and introduce former members and a musical program will be presented by the West Valley Symphony Orchestra. The present ministers, Reverend Ed Cunningham and Reverend V.F. Detitus will also be on hand to greet guests.

The Congregational Church of Campbell was organized April 24, 1889, under the leadership of Reverend William Windsor, D.D., who became its first minister and served in that capacity until 1903. Other ministers were Rev. George E. Atkinson, 1903-1916; Rev. William E. Eckles, 1916-1918; Rev. H. L. Preston, 1918-1921; Rev. William E. Eckles, 1921-1926; Rev. Joseph Bennett, 1927-1945; Rev. Robert L. Carlson, 1945-1948; Rev. Corwin H. Olds, 1948-1960. Rev. Ed Cunningham and V.F. Detitus are the present ministers.

The first Congregational Church of Campbell was built in the fall of 1891. The lot on No. Central Avenue was a gift of S. H. Moulton and the building was completed and dedicated in 1892. The building of this first church called for most generous and sacrificial giving on the part of the very small number of families involved.

By the end of World War II Campbell began to share in the tremendous population expansion of California. By 1949 it became apparent to a few that if the church was to keep up with the challenge of its mission, it would have to buy a new site and look toward eventual relocation.

The Church had been remodeled many times and received all the additions it could take. The Church building was sold to the City of Campbell to be used as a City Hall in 1956. Construction of a beautiful new and modern church began in 1955 and the building was occupied in July of

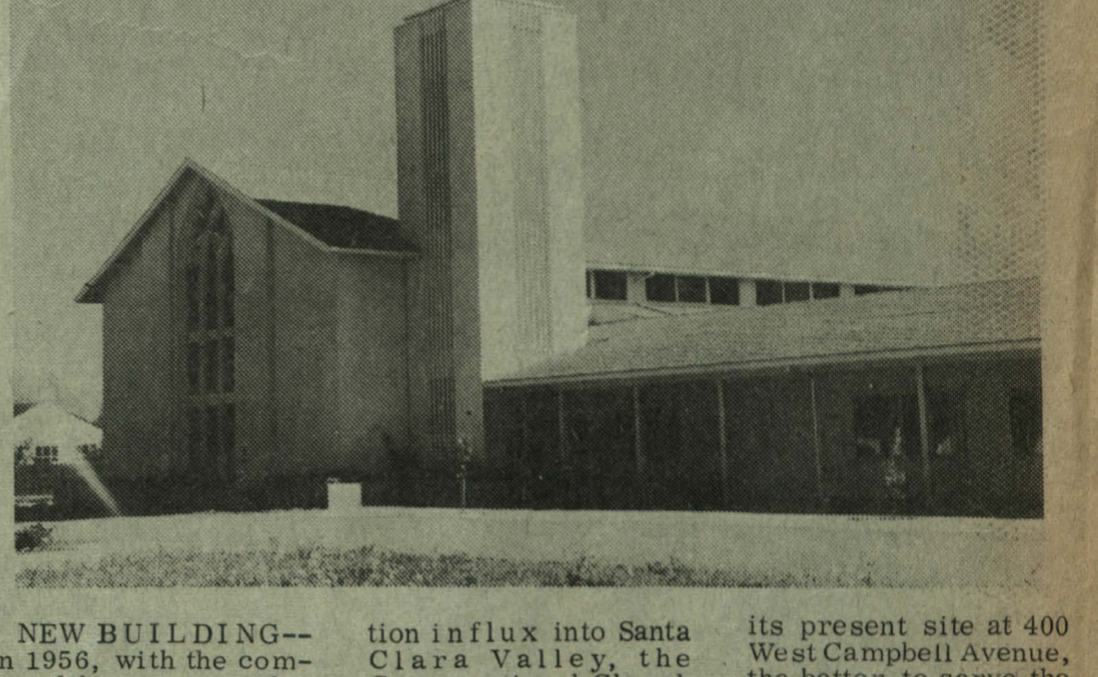
ORIGINAL CHURCH— This is an old photograph of the first Congregational Church of Campbell located on North Central Avenue. The church was built in 1891. The first minister was Rev. William Windsor, who organized the church with twelve members, representing six Campbell families.



NEW BUILDING-- In 1956, with the coming of the great population influx into Santa Clara Valley, the Congregational Church relocated its work at its present site at 400 West Campbell Avenue, the better to serve the growing area.

Editorial

Our opinion

We learned a long time ago that "keeping up with the Joneses" was not for us. In some circles this is referred to being a non-conformist. And others choose to call it "rable rousing". We just like to think of it as just being ourselves.

We have called the "shots" as we have seen them. In our opinion this is the main reason for the existence of a community newspaper. And just because we agree or disagree with a certain policy adopted by any governmental agency, certainly does not make it right or wrong.

We have voiced our opinion on a few subjects during the past two and one half years. At times we found ourselves in accord and other times in disaccord with the City, County and State public officials.

It was always our intention to criticize the idea and not the man behind the idea. This we realize is difficult for the criticized to understand at times.

Our idea of a successful newspaper person would be one who would be able to feel he is able to present his views and then sit down to a cup of coffee with the person whose ideas or policy he disagreed with the day before. This is the goal we hoped to attain. We must admit that we were not one hundred percent successful. And for our own selfish reasons we are sorry. We are sorry also because more discussions along this vein could only have been beneficial to the entire community.

It was this line of thinking that allowed us to publish all of the "Letters to the Editor". Strange as it may seem, the letters that were critical of us were accepted and published with less hesitation than the messages complimenting us. We are of the opinion the critical letters would create more interest in the community.

We learned a long time ago that "you can't please everyone," therefore we did not try. Our cards have always been on the table and we backed away from nothing. At times it seemed as though we came out second best. This only gave us the drive to better the next time.

Because we became involved more often with City Council matters, it would seem to follow that the chances of disagreeing with this group should be understandable. We have stated many times that we appreciated the tough job the members of any city council have. San Jose is displaying this at the moment. And we have stated that the people of Campbell should accept most of the responsibility of what is done in Campbell. It is our feeling that any city council is as good and as strong as the citizens want it to be.

Last week's city council race proves this point. Less than one out of four registered voters chose the three "new" councilmen, while one hundred per cent of the electorate will be expected to be "governed" by these same elected officials. These same city fathers will be charged with the City purse strings. Our attempt to create more interest in all segments of government is only to help each of us attain the best.

We happen to feel that any newspaper has this duty to perform. In our mind personalities did not affect the issues. And if the issues affected the personalities, we attempted at all times to give this choice to "the other side".

Writing editorials is not the easiest way to gain friends. Our intention was to attempt to keep our friends while writing the editorials. This is how we shall measure our success.

Campbell. She is the boxer that the Vierhus's belong to, and she is the dog that loves to put on a good watch dog act. Somewhere along the line she must have found out that the mailman delivers bills, and Checkers does all she can to keep them out. Wonder if Lassie knows that trick?

AND NOW WE would like to again thank our entire staff and all others that have made our work interesting and easier. We can honestly say it was fun; we regret no part of it.

Until recently the basis for classification of information as "top secret", "secret", or "confidential" has been the requirements of the national security. But in the last three years we have seen a tendency to let political requirements determine the sensitivity of military information. This could undermine respect for our entire security system.

Last week highly censored testimony, given by Air Force Chief of Staff General Curtis LeMay before a Congressional Committee, was released. According to the press, the General said in effect that the Russians are narrowing the gap of U. S. military superiority. The next day, Secretary McNamara rebutted with comparative figures on our military strength as compared to the Russians which had been top secret. In light of the raging political controversy between McNamara and one Presidential candidate over defense posture, there isn't much doubt that the "secret" label was removed for political and not military convenience. This sharply contrasts with what happened in 1960 when the political shoe was on another foot.

In the Presidential campaign of 1960 the hottest issue was an alleged "missile gap." Many of us, including Vice Presidential candidate Lyndon B. Johnson, had access to figures which would prove the "gap" was purely fictional. Had President Eisenhower, whose stewardship of the National Defense was under attack, chosen to take the "top secret" wrap off those figures, it would have been easy to discredit the purely political attack. But he did not choose to do so, nor did any of the rest of us. Doubts remained in the public mind through the election and until six weeks after the inauguration when Secretary McNamara admitted the missile gap didn't exist.

In 1963 headlines raised the question of "news management" in the Cuban crisis just prior to the election of 1962. After insistent demands for the "full truth," a detailed presentation was made to the Committee on Armed Services which was warned to treat the information as strictly "top secret". On another day the Appropriations Committee received the same briefing and the same warning. The next night Committee members saw their "top secret" information repeated word for word by the same man showing the same pictures before every television viewer in the nation including those at the Russian Embassy!

When Senator Goldwater charged in New Hampshire that our missiles were not reliable, McNamara released portions of a highly classified chart in rebuttal. In secret session before our Committee, General LeMay did not challenge the Secretary's figures but pointed up two categories of the same chart which the Secretary had neglected to mention. These additional facts clearly showed that the positions of both the Senator and the Secretary could be interpreted quite differently. Strangely enough this testimony by LeMay was censored out of the subsequently published record and is nowhere to be found.

By deleting testimony in printed hearings and declassifying information at will, an Administration has enormous power. If the power is used to serve a military security purpose, it should be unquestioned. But a political purpose is quite a different thing.

SOCIAL SECURITY ADMINISTRATION

By Gladstone A. Boquist
Field Representative

Q.-I will be 65 years of age on November 15, and will retire at the end of that month. Should I make my application for social security payments in January of next year, since I will earn about $5,000 this year?

A.-You should file your application before you retire. Although your earnings for the year will be around $5,000, you will be eligible for a payment for the month of December. Regardless of how much a person earns in a year, he does not lose benefits for any month in which he neither earns over $100 in wages nor renders substantial services in self-employment.

Q.-I have a brother who has worked under social security for a long time, but he has never checked his record. I want to check to find out how much he has earned. How can I do this?

A.-You cannot check your brother's account, because all social security records are confidential. If your brother would like to check his record, he should complete the request himself. The Social Security Office has a postcard form for this purpose.

Q.-I was treated for an illness most of last year. This kept me pretty close to home. Now, all my doctors tell me I can return to work full time. But work is scarce in my line. I assume I can qualify for Federal disability benefits until I find a job.

A.-If you're able to return to substantial work, you don't qualify for Federal disability insurance benefits -- even though you can't find a job.

Q.-When must I pay social security taxes on wages I pay to people employed in my household?

A.-The report is due in the month following the close of the quarter in which the wages are paid. All household employees are covered by social security, and must be reported, if in a calendar quarter they receive from an employer cash wages of $50 or more.

Women Voters concentrate on Bay Area topics

A bay area study topic was adopted for their 1964-65 program by members of the League of Women Voters of Central Santa Clara Valley at the local annual convention held April 2 in San Jose. The local group joins 24 LWV organizations in bay communities in the study of land use.

Elected to direct the Central Santa Clara Valley LWV for the coming year was Mrs. Thomas Harrison of San Jose, who accepted the gavel from retiring president, Mrs. Kenneth Hayes.

The LWV "continuing responsibilities"... those issues on which local members have taken a position, were reviewed and adopted as "watchdog" items for continued action in the community. These include adequate and equalized representation by a board of supervisors with county-wide point of view and responsive to district needs: support of the 1950 charter of the county government: support of the 1950 charter of the county government: support of the revision of the San Jose City Charter.

Other officers elected with Mrs. Harrison include Mrs. Dale Mitchell, first vice president: Mrs. B. F. Kalvelage, second vice president: Mrs. Jerome Swalen, secretary, and Mrs. Sanford Elkin, treasurer. Directors named to the board were the Mesdames Don Organ, Harold Shanley, Larry Replogle, Richard Koepcke, Clarke Carey, Mrs. Robert Caldwell and Mrs. Lee Painter.

Bucs beat Braves in close game, 5 to 4

The Campbell High Varsity baseball made a brilliant come from behind victory in a 5 to 4 eight-inning win over the previously undefeated Blackford Braves.

Blackford quickly scored three runs in the second inning on Henning's bases loaded double and a subsequent error. Campbell tied the score in the third inning. The score was tied through the regulation 7 innings but Blackford went ahead in the top of the eighth by one run.

The Bucs then rallied in the bottom of the eighth to pull out the victory after there had been two outs, two walks and a single by Ranny Baldinger loaded the bases and a wild pitch by Blackford's Joe Anderson and another walk by relief pitcher Tom Broulette of Blackford, got the two winning runs over for the Bucs.

Campbell's pitcher, Murray Hall, got the win while second reliever Mike Jackson of Blackford received the loss. Campbell is now in first place with a 3 and 0 record.

Don Hahn pitches winner for B's

League leading Campbell Frosh-Sophers came through with 13 hits and a one-hit pitching job by Don Hahn, to destroy the Blackford Braves 13 to 2.

The Bucs previously had beaten Blackford by a 1 to 0 score in pre-season play but a first inning homerun by Don Hahn easily surpassed the previous score. Coach Wayne Clay's ball team how holds a 2 and 0 record while scoring 27 runs in the last 2 games.

Don Hahn received his second league win while Focht of Blackford received the loss.

Two local men are winners in tournament

The Los Gatos Horseshoe Club held their annual opening Club Tournament April 12 at Oak Meadow Park, crowning Connie Henderson of Los Altos as the new champion. Stan McCarty of Los Gatos was runner up. Verdan Zelmar of Campbell took third place and Willard Lampkin Sr. also of Campbell, took fourth place.

The club meets regularly at the First National Bank, 308 Santa Cruz Avenue, Los Gatos, on the second Friday of each month. Anyone in Campbell who is interested is invited to attend.

Maybe you read recently in your Campbell newspaper about the Coast Guard helicopter rescuing eleven people from the floundering Hattie D off Cape Mendocino. Well, if it hadn't been for a ship-to-shore telephone operator, the lucky eleven and the Coast Guard might not have gotten together. Seems that the stricken ship didn't use the Lubahn of Oakland picked up its "May Day" distress call over the Eureka Coastal Harbor radio-telephone channel. She promptly alerted the Coast Guard, who made the dramatic scoop from the sea. Just another case of a telephone operator giving help when it's needed.

More About CHURCH ANNIVERSARY
(Continued from page 1)

1956. It included a sanctuary, offices, the Fireside Room and several classrooms. Since that time Bennett Hall was built, as well as additional storage room and a large classroom. Bennett Hall was intended for use for all forms of Scouting and youth activities. It was built by volunteer labor and special gifts, under the leadership of George Jeffers as a memorial to Rev. Joseph Bennett. Rev. Bennett was minister of the church from 1927 to 1943. He organized which is believed to be the first Cub Scouts in the country.

Local woman held on check charge

Judge Richard Rhodes has issued a warrant for the arrest of Peggy Louise Toledo, also known by several aliases including Harvey, Sanchez, Ferreira and Davis, on a charge of forgery and violation of probation.

According to a report from the Campbell Police Department, Mrs. Toledo, who formerly resided on Bucknam Avenue, allegedly gave a forged check for $40 to Big Boy Market, 629 Hacienda Avenue, Campbell, for payment of groceries. The check was drawn on Wells Fargo Bank, Alum Rock Branch. Further investigation indicated similar checks are being held by Santa Cruz and Milpitas Police. Bail was set at $5500 by Judge Rhodes.

REMODELED--For over three decades the Congregational Church was located on Central Avenue where it carried on its ministry in the heart of what was then the well defined community of Campbell. It was remodeled in 1923 and additions were built in 1950. In 1956 it was sold to the City of Campbell and is now used as the Campbell City Hall.

Montalvo gives dates for summer concerts

-Four concerts by the Netherlands String Quartet, two by duo-pianists Yaltah Menuhin and Joel Ryce; and a single recital by Christine Walevska, violoncellist, will feature the 10th annual Montalvo Association's Summer Music Festival at the well known cultural center here during July and August.

The programs will be in the Carriage House Theatre at Villa Montalvo on Friday evenings at 8:30 and Sunday afternoons at 3:30, announced by the Music Committee, Mrs. A. A. Payette, chairman, as follows:

Netherlands String Quartet, July 10, 12, 17 and 19;

Yaltah Menuhin-Joel Ryce, July 31 and Aug. 2;

Christine Walevska, Sunday only, Aug. 16.

The four musicians from the Netherlands are Nap de Klijn, first violin; Joap Schroder, second violin; Paul Godwin, viola; Carel Boomkamp, violoncello. They will be making their West Coast premiere at Montalvo, coming direct from the Aspen Music Festival in Colorado.

The husband and wife team of Ryce and Menuhin will be making their second appearance at Montalvo, having played one of their earliest concerts as a duo three years ago.

Rock is thrown through window

Merlin E. Foster, 251 No. Harrison, a carpet layer, reported to Campbell Police that someone threw a rock through the window of his front room late Friday night, April 17. The rock broke the window and struck a table and damaged a lamp. Foster said he did not have any enemies and surmised it was probably the work of passing juveniles.

TO CONDUCT CHORUS—The San Jose Municipal Chorus, under the direction of Reginald G. Greenbrook, 3091 Greentree Way, will perform Gounod's "Redemption" on Sunday, May 3rd at 3 p.m. in the Scottish Rite Temple in San Jose. There are a number of Campbell singers in the Chorus, and the public is invited. Admission is free.

THE PRISON LIFE OF HARRIS FILMORE
By Jack Richardson

"Here is near perfection". The speaker is not a dweller in the Garden of Eden but is instead a contented murderer serving his time in Audton State Prison. He is speaking to Harris Filmore, forcibly retired New York banker and now No. 3355 in the same establishment. Their only anxiety: parole.

ALL MEN ARE MARINERS
By Calvin Kentfield

This is a picturesque adventure of a young Midwesterner who has wandered across Europe. The novel is centered in Copenhagen where Tom arrives, having quit the sea. All Men are Mariners is a probing novel of high artistry and great conviction.

NON-FICTION

THE UNNATURAL ENEMY
By Vance Bourjaily

What does a man look for in himself, in nature, in the game when he takes down his gun and calls his dog? What does he find? The answer has many levels subtle and obvious, philosophical and funny, appalling and adventurous. Its observations might apply as well to the man whose hand itches not for a trigger but for a golf club, or a bowling ball or the tiller of a boat.

AFRICA'S WILD LIFE
SURVIVAL OR EXTINCTION?
By Eric Robins

Nine-tenths of Africa's game population has vanished from the face of the earth, and the remainder is now facing total eclipse. Africa's Wild Life presents the most graphic evidence of this appalling decline and the reasons for it. Mr. Robins gives his expert view on the practical steps that must urgently be taken to help avert disaster.

SCHOLARSHIP WINNERS--Campbell High School announces with great pleasure the names of nine seniors who are winners of State Scholarships for the academic year 1964-65. The students are (left to right) Joe Silvia, Gunner Wetleson, Michael Baker, John Ritter, and girls (left to right) Penny Wright, and Mary Neal. Winners not pictured include Douglas Crask, Keith Ducote and Jon Rowberry.

Campbell students high in achievement

Campbell Union School District trustees had something to smile about at a recent board meeting when District Psychologist Richard MacQuiddy reported official achievement test results for the fifth and eighth grades. Students in the district have scored above national standards in achievement tests in reading, arithmetic, and language. MacQuiddy's report was accompanied by charts showing how achievement of Campbell pupils compared with norms. These and the reports have been made annually for years in Campbell, but are now required by law in California.

MacQuiddy explained that in the only test result where students did not achieve as well as their anticipated scores or as well as Santa Clara County, was in spelling. MacQuiddy said, of the 16 spelling words most frequently misspelled, none of them could have been spelled correctly solely through a knowledge of phonics and spelling rules. Campbell school children have mastered phonics and spelling rules, he emphasized. The illogical English language is responsible for the presence of these words in the test, with silent letters or departures from the rules to trip up the children. Example of such words are Career, melancholy, seiges. Other missed words in the state spelling series are switch, justice, mysterious.

To lick this problem, the district is now trying out in four classrooms a different method of presenting spelling, stressing a linguistic approach, teaching the structure of the language and spelling patterns. Mrs. Helen Peterson expressed pride in the over-all test showing of district students.

In the fifth grades, scores for 1963 were:

	CUSD	CALIF.
READING	6.3	5.4
ARITHMETIC	5.9	5.8
LANGUAGE	6.1	5.2

In the eighth grade, comparisons were:

	CUSD	CALIF.
READING	9.2	8.5
ARITHMETIC	8.7	8.5
LANGUAGE	8.5	8.4

Mrs. Wendell Hammon, Club President, has just returned from the Washington Conference for Republican Women, which was held in Washington D.C. Mrs. Hammon will give a resume of the conference, which will be of great interest to all club members.

In addition there will be two guest speakers, Mrs. Lee Sherry, who will speak on governor Nelson Rockefeller's candidacy for the Presidency, and Mrs. Elsa Sandstrom, who will discuss the Presidential Candidacy of Senator Barry Goldwater.

The luncheon will be at 12:00 p.m. and those not wishing to attend the luncheon are invited to attend the meeting at 1:00 p.m.

Final rites for William Sykes

Funeral services were held from St. Lucy's Church Tuesday, April 21, for William Sykes, 79, of 174 Budd Avenue, who died Saturday in a convalescent hospital after a lengthy illness. Sykes, a native of New Zealand, was a resident of Campbell for 15 years. He retired from Grace Steamship Lines in New York in 1949 as a marine engineer and moved here. He was a lieutenant commander in the Naval Reserve.

He was the husband of Mrs. Imelda Sykes of Campbell; father of the Rev. C. Vincent Sykes, S.J. of Shreveport, La; and Robert E. Sykes of Saratoga and Mrs. Patricia Campi of Santa Clara. He was the grandfather of 10. Interment was in Mt. Olivet Cemetery, San Rafael.

Postponed bond issue delays addition

Superintendent Wm. C. Henley advised Campbell Union School District trustees at their April 9 board meeting that the district will be short five to six rooms at Cherry Lane School in the fall, which will mean children must be placed at Hamilton School to relieve the situation.

This has been brought about by the postponement of the state school bond issue from the June to the November ballot. CUSD will be unable to build another classroom addition at Cherry Lane which is all planned and ready for bid. The money to build the addition is not available because of the postponement of the state school bond issue.

Superintendent Henley reported to the board that a citizens' committee is currently being formed to study building needs of the district and work to inform the community of these needs in preparation for a bond election set for September 15. The amount of bonds to be voted on at that election has not yet been set by the board. The elementary and Campbell Union High School District are cooperating to form the citizens' committee, since both will go before the voters with a bond election on the same day.

Joseph Doetsch passes; father of councilman

JOSEPH P. DOETSCH

Joseph P. Doetsch, 87, father of City Councilman Ralph Doetsch, died Saturday, April 18, in a San Jose hospital following an extended illness. Doetsch, a retired orchardist, of 14700 Santa Clara-Los Gatos Road, was a resident of the County for 44 years. He was active in community affairs and served on the Grand Jury in the early thirties. He was a native of Evanston, Ill., and moved to his home in Los Gatos in 1921.

He was the husband of Mrs. Caroline L. Doetsch of Los Gatos: and is also survived by two other sons, Francis Doetsch of Mountain View, and Joseph Doetsch of Walla Walla, Washington, and two brothers and four sisters. He also leaves eight grandchildren and one great-grandchild. Requiem Mass was held at St. Lucy's Church on Tuesday. Interment was in Blossom Hill Memorial Park.

Crippled girl's pet is missing

"Mr. Peepers", a white toy poodle belonging to Patricia Scribner, 41 North Second St., Campbell, has been missing for nearly three weeks. The little dog is the special pet of Miss Scribner who is crippled with arthritis. She has had the dog for seven years and raised it from a puppy.

The little dog, which is a male, was let outside early in the morning and disappeared within 15 or 20 minutes. Anyone having information is asked to call Miss Scribner at 378-5168.

Gilman avenue to be surfaced

City Councilmen want a "finished job" on Gilman Avenue when street improvements are put in adjacent to the Campbell Park. Curbs, gutters and sidewalks, and pavement to the end of the Park would amount to approximately $3430, City Engineer Myron Hawk reported. For an additional $500 the balance of the street could be capped. The Council approved the extra expenditure to completely surface the street.

Rotary District Governor nominee to speak here

Campbell Rotary Club will be privileged, at their May 11 meeting, to have District Governor nominee, Stanley E. McCaffrey as their guest speaker.

McCaffrey, who is the Executive Director of the Bay Area Council, will speak on the subject of "The Future of the Bay Area." All members are urged to attend.

Francis Fisher succumbs; former resident of city

Funeral services were held April 14 for Francis L. Fisher, a resident of the Campbell area for approximately 14 years. Fisher, a Southern Pacific railroad switchman, resided in Palo Alto at the time of his death. He was forty years old. Services were conducted at the Golden Gate National Cemetery in San Bruno. Fisher was a veteran of World War II and served with the U.S. Navy in the submarine service.

He is survived by his wife, Alice, of Palo Alto, a daughter, Barbara, and two sons, Robert and Bill Fisher. He also leaves ten brothers and sisters including Wilfred F. Fisher, Casey Road, Campbell.

Campbell High to have School Fair on Sunday

"Public Schools-America's Future" is the theme of this year's Public Schools Week Fair at Campbell High School. The various departments of the school, under the chairmanship of Russell Fowler, are busily engaged in putting together many exhibits and demonstrations that will contain a high degree of quality and be most interesting to see.

The Fair will be held Sunday, April 26, at the school. Special events include a string orchestra, a concert by the band and a play by the Drama Department.

Frank Myers is top winner in student art show

Winners of the Campbell, Saratoga and Los Gatos High School Art Students Juried Show which is currently exhibited at the Los Gatos High School have been announced.

The cash award was given to Frank Myers, an art student at Campbell High School for the best picture, overall. Other Campbell High School winners were Winifred Hirose, first place: Drew Stridzan, second place: Marilyn Cunha, third place and Carol Yarber, honorable mention.

A tea was given in honor of all the students participating. The art work of all the students will be on display throughout the month of April at the Los Gatos Art Center, 19010 Austin Way, Los Gatos. The Center is open each Wednesday, Thursday, and Saturday and Sunday from 2 until 5 p.m.

City Planners hope to upgrade Sunnyside area

An attempt by the Campbell Planning Commission to upgrade the Kennedy, Sunnyside Avenue neighborhood was met with approval by property owners in the area. Planning Director Orville Overen presented a map of the location to the Planning Commissioners who met for a public hearing on the proposed zone change from R-1 (single family) to R-2 or R-3 (multiple dwellings or rest homes, professional offices, hotels). Overen pointed out the recent multiple family development on Kennedy Avenue and referred to a petition signed by some of the residents in this area requesting the zone change.

S.J. Humphreys, 67 Sunnyside Avenue, appeared at the meeting and said he would like R-3 Zoning as he felt that this would be most appropriate due to the depth of the lots, surrounding zoning, and the fast growth of the area and the fact that property owners could better utilize their properties with the uses allowed under R-3-S zoning.

The proposed change will be heard before the City Council at their next meeting.

Please forgive us and we sincerely hope all of your experiences with A & W Drive Ins in the future will be pleasant.

$13,389 in taxes from PG&E

Property tax payments in Northern and Central California by Pacific Gas and Electric Company reached an all time high last week when final installments were paid by the company on bills for 1963-64 totaling $82,654,313.

The city of Campbell received $13,389 and Santa Clara County $4,069,810.

The total amount PG&E had to set aside in the last year for taxes and franchise payments to local, state and federal agencies was $162,545,000. Paid out on a daily basis this would amount to $445,000 every day of the year, week-ends included. That amounts to $18,541 every hour, according to L.J. Brundige, manager of PG&E's San Jose Division.
